Dear Mr. Dickson,

re: Derbysbires Farmhouse

I enclose copy of letter today received from Messrs. Leo Kennedy & Glover enclosing their full account of £23.

I think a misunderstanding must have arisen here, because when your daughter brought in some cheques whilst I was off with flu, I assumed these were connected with 25 Derby Hill Road and proceeded on this basis.

I think I need to see you urgently on this matter.

Yours sincerely,

W. E. Cappen
